Let our Reception  
know!

Welcome to our equine newsletter, keeping you up to date with what's happening at The Horse Clinic.

So we say Adieu to Agata,  
and Hello to **Helen**!

Helen comes to us with over  
30 years of experience as an  
equine vet, having previously  
created and run her own  
highly commended equine  
practice.

As a certificate holder in radiography, Helen has a particular  
interest in imaging and also in dentistry. She has also spent a  
great deal of time investigating lameness.

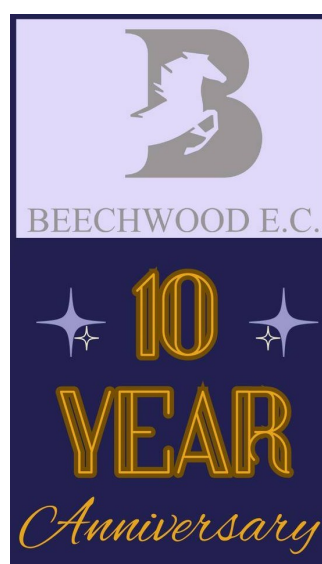

We are also delighted to say that following completion of her  
internship, **Lisa** will be staying on with the equine team!

If your horse had a strangles vaccine during  
our amnesty in April/May, they will be close  
to being due their 3rd vaccine.

If you haven't already booked a visit, and  
would like to, give us a call on 01277 823808

This month we say a fond fare-  
well to equine vet, **Agata**. Agata  
joined H&J as an intern back in  
2019, having to deal with not only  
being a new vet but also working  
through COVID lockdown. But  
she soon made her mark at the  
practice and has become a key  
member of the equine team. We  
will miss her so much, but we  
wish her the very best in the next  
chapter of her veterinary journey.

Come visit our  
stand and say  
hi. You might  
even get to  
meet Jimmy!

Catch us at Beechwood!

The 10 year anniversary show is  
taking place from **Friday 15th**  
— **Sunday 17th August!**

Location: CM3 8DY

Getting to know your Horse!

Following a hugely successful day at ARU Writtle on 1st June for  
our **Getting To Know Your Horse -The Abdomen** event, our next  
date in the diary is **Sunday 21st September**, when we will be  
looking at **Lameness**. This event is already fully booked, but  
watch out on our Facebook page for news of more events in the  
near future!
